God of all delight, grant us that joy which none can take from us, of having a work to do, a life to live; open our eyes to discern your hands at work so that we may take our place as labourers together with you, in Jesus name we pray, Amen.

## Protect Yourself & Others Against Coronavirus

- You don't have to shake hands or share a hug to pass the peace
- If you're unwell, refrain from accepting the chalice
- Receiving the sacrament "in one kind" is acceptable, i.e. the bread can represent both the bread and the wine
- Intinction, i.e. dipping the wafer in the wine is strongly discouraged.
- All those who administer communion should wash their hands or use sanitiser beforehand
- Hand sanitiser will be made available near the altar and at the entrance to the church

The Ministry of Health are updating this website with the latest updates, information and advice on COVID-19 at [www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus](http://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus)

***As we continue to meet together as a community, below is a reminder from Ministry of Health about practicing good hand and sneeze/cough hygiene.***

'This virus is mainly spread through droplets being coughed/sneezed onto people and onto surfaces which if people touch, they can then pick up the virus too. Wash your hands a bit more frequently, preferably with soap and water and for at least 20 seconds (sing 'Happy Birthday' twice), and make sure you dry them well. Always cough and sneeze away from others and into your elbow rather than your hands. Try to be mindful of how many times you touch your face and try not to. Avoid shaking hands with people.'
