Dear Friends,

A special word of thanks to each of you for so willingly doing this all important task. Our grateful thanks to Angela and Wilma who were unable to continue; and a big welcome to Gay who joins the team.

### Three reminders

- A. Please destroy your earlier roster
- B. Please PHONE THE NEXT PERSON ON LIST as a reminder to that person for the coming month.
- C. If you are unable to do your duty please swap from the list. If no one can help Anne Mercer (520 2861) is able to help in the months of June, July and August.

Many thanks for your willingness to do this task.

Blessings,  
Rosemary
