Spirit of God,  
You filled your disciples

## What's on at St Aidan's

### Today

**No G@5 today**

### Prayers

May the Gifts of the Holy Spirit bring fire to the earth so that the presence of God may be seen in a new light, in new places, in new ways.

May our own hearts burst into flame so that no obstacle, no matter how great, ever obstructs the message of the God within each of us.

May we come to trust the Word of God in our heart, to speak it with courage, to follow it faithfully and to fan it to flame in others.

## Book Review

This easy-to-read, practical book written by our own Angela Caughey, will help anyone caring for someone with dementia communicate more easily with them. It shows carers and visitors how to express their messages effectively and helps them interpret what the person with dementia is trying to convey. A useful overview of the main types of dementia describes how they affect communication.

When carers and the people they care for engage in good communication, frustrations and stress are minimised. Good communication enables carers to manage most challenges in a positive and respectful way.

The book provides practical strategies that are easy to implement when dealing with some commonly encountered problems drawn from real-life experience. It explains what works, what doesn't, and why. It also shows how to use language effectively, how to implement critical listening skills, and how to interpret body language. The result is a book that will provide enormous benefits to the carer, to the visitor and to the person with dementia.

**How to Communicate with Someone Who Has Dementia** is endorsed by the Neurological Foundation of New Zealand. This book will soon be available at St Aidan's Library.

*Please stay for morning tea in the Gathering Area after our services. If you are new, or would like more information, please make sure to introduce yourself and fill in the Newcomer's form.*

## Training Session

For all those new and old to the Newcomers/Welcomers roster we will be running a short training session on **27 May** following the 9:30am service. We will go through our welcoming process, updating some aspects as well as sharing ideas. If you would like to be involved in this key ministry talk to Margaret Cooper today
