God at Work

Being Christian in the everyday world

Whether we are paid for what we do throughout the week or not, we believe our relationship with God is to be the basis for how we live. So what does scripture have to say about our work? In whatever we do with our time, we all grapple with issues such as conflict, maintaining relationships, ethics, stress and seeking fulfilment – what might it look like to be a disciple of Jesus in those situations? Over 5 sessions during lent our sermons will reflect on our 'Monday to Saturday' from a biblical perspective which will be accompanied by Q & A group sessions following Sunday worship to flesh that out into our own contexts.

It's a great time to consider being part of a home group to go through the series with others, so get in touch for more details on how to join up.

As part of our Lenten program if you would like us to tackle any questions on this topic please feel free to write them down and drop them into the blue box in the GA.

Please stay for morning tea in the Gathering Area after our services. If you are new, or would like more information, please make sure to introduce yourself and fill in a Newcomer's form.
