

E te Atua o te aroha, our loving Creator,
Mountains and oceans,
mighty kauri and playful tūi,
ALL creation belongs to You.

Remind us of our role
as caretakers and gardeners.
Send your Spirit to renew our hurting world.
Give us the courage and strength
to simplify our life,
to share what we have,
to bear the cost of change and
to sow the seeds of hope for future
generations.

Through Jesus Christ who is reconciling all
things through the cross.

Amen
